4th/5th Grade Summer School Teacher
Job Description

“We Educate Youth for a Life of Christian Leadership and Service.”

If interested in teaching summer school, please email your cover letter and resume to Vanessa Solis, Director of Elementary School, solisv@njms.org.

Mission

Nativity Jesuit Academy is a Catholic, Jesuit, urban school in Milwaukee, WI. We prepare our students, in partnership with their families, for Christian leadership and service in high school, college, and life. Through a holistic education program, Nativity strives to form leaders who are:

- religious
- loving
- seeking intellectual excellence
- committed to justice
- open to growth

Like Christ who came “not to be served but to serve” (Mark 10:45), Nativity transforms youth to become men and women for others.

Founded in 1993, Nativity serves students in the Latino community that often come from low-income backgrounds. In the fall of 2014, Nativity expanded to serve students in the elementary school years, in addition to the middle school years. The school’s continued expansion will further involve innovation with the use of technology in a blended learning environment to better target individual student needs. The school has a strong extended day program and extended year program, where students in the middle school attend a residential summer camp in northern Wisconsin, and students in the elementary school will attend a day camp at Nativity in Milwaukee. Nativity prepares and supports its graduates in Catholic college preparatory high schools through our graduate support program. This comprehensive programmatic approach has developed students who are prepared for college and understand the importance of giving back to their community.
