Apples to Apples Report Wisconsin Institute of Law and Liberty

Nativity Jesuit is again #1 in Milwaukee among elementary and middle schools!

For the second straight year, Nativity Jesuit Academy is ranked #1 in the city of Milwaukee among all elementary and middle schools. Nativity Jesuit is #4 in Milwaukee among all schools and #10 out of 2,065 total schools (elementary, middle and high schools) in the state of Wisconsin. The Wisconsin Institute of Law and Liberty released a [report](#) in June 2019 comparing the academic performance and test scores of Wisconsin schools across sectors (public, charter, private and Choice). The Nativity Jesuit mission is much broader than test scores and academic results but this report and its findings provide another piece of evidence that Nativity Jesuit is making an astounding contribution to our community.

According to the executive summary for the inaugural 2017 report – “This study, for the first time using the most recent test score results, dispels that confusion and provide parents and policymakers with the clearest possible comparison of student outcomes in each school sector in Milwaukee – as well as across Wisconsin. Our study, while taking into account students’ socio-economic status and demographics, compares academic performance on 2016’s Forward Exam and ACT in all school sectors in Milwaukee and Wisconsin.”
