Dear Sir/Madam:

This responds to your September 25, 2025, request for information regarding the status of your group tax exemption.

Our records indicate that you were issued a determination letter in March 1946, that you are currently exempt from federal income tax under section 501(c)(3) of the Internal Revenue Code, and are not a private foundation within the meaning of section 509(a) of the Code because you are described in sections 509(a)(1) and 170(b)(1)(A)(i).

With your request, you provided a copy of the *Official Catholic Directory for 2025*, which includes the names and addresses of the agencies and instrumentalities and the educational, charitable, and religious institutions operated by the Roman Catholic Church in the United States, its territories, and possessions that are subordinate organizations under your group tax exemption. Your request indicated that each subordinate organization is a non-profit organization, that no part of the net earnings thereof inures to the benefit of any individual, and that no substantial part of their activities is for promotion of legislation. You have further represented that none of your subordinate organizations is a private foundation under section 509(a), although all subordinates do not all share the same sub-classification under section 509(a). Based on your representations, the subordinate organizations in the *Official Catholic Directory for 2025* are recognized as exempt under section 501(c)(3) of the Code under GEN 0928.

Donors may deduct contributions to you and your subordinate organizations as provided in section 170 of the Code. Bequests, legacies, devises, transfers, or gifts to them or for their use are deductible for federal estate and gifts tax purposes if they meet the applicable provisions of section 2055, 2106, and 2522 of the Code.

Subordinate organizations under a group exemption do not receive individual exemption letters. Subordinate organizations are not listed in Tax Exempt Organization Search (Pub 78 data), and many are not listed in the Exempt Organizations Business Master

File extract, or EO BMF. Donors may verify that a subordinate organization is included in your group exemption by consulting the *Official Catholic Directory*, the official subordinate listing approved by you, or by contacting you directly. IRS does not verify the inclusion of subordinate organizations under your group exemption. See IRS Publication 4573, *Group Exemption*, for additional information about group exemptions.

Each subordinate organization covered in a group exemption should have its own EIN. Each subordinate organization must use its own EIN, not the EIN of the central organization, in all filings with IRS.

If you have any questions, please call us at the telephone number shown in the heading of this letter.

Sincerely,

A handwritten signature in dark ink, appearing to read "Stephen A. Martin". The signature is written in a cursive, slightly slanted style.

FOREWORD

It is with great pleasure that we present the 2025 edition of *The Official Catholic Directory*. For over 200 years, *The Official Catholic Directory* has provided comprehensive coverage of all the charitable organizations and clergy within the Catholic Church in the United States. To complement this coverage, we have included the “2024 Highlights,” our annual recap of the key events from the past year.

In a historic moment for the global Church, we welcome His Holiness Pope Leo XIV, elected on May 8, 2025, as the 266th successor to Saint Peter. Formerly Cardinal Robert Francis Prevost, he is the first American-born pope and also holds Peruvian citizenship. His election follows the passing of Pope Francis, whose decade-long papacy was marked by humility, pastoral care, and a renewed focus on mercy. Pope Leo XIV brings with him a deep commitment to service, shaped by decades of missionary and leadership work, and opens a new chapter in the Church’s enduring mission.

This edition maintains several recent format/layout enhancements for a) improved readability and navigation, making it easier for users to locate entities and the clergy, brothers, sisters, and laity that serve those entities; and to b) reduce redundancies that increase the page count unnecessarily and cause book binding problems.

Although the Catholic Church in the United States has changed significantly over the past two hundred years, our core mission remains the same: to constantly update and annually publish an accurate listing of all the charitable organizations and clergy of the Catholic Church in the United States. This mission cannot be completed without the help of the United States Conference of Catholic Bishops, other ecclesiastical authorities, and countless diocesan staff members. We owe each a debt of gratitude and would like to conclude this foreword by thanking them for their longstanding cooperation and invaluable assistance to *The Official Catholic Directory*.

Sincerely,

Eileen Fanning
